

Convertible Computer Lab Delta View

MAXIMIZE YOUR TRAINING WORKSPACE WITH  **rightangle™** DELTA VIEW.

Delta View by RightAngle™ provides a flexible multifunction furniture solution that quickly and easily transforms to meet the needs of today's learning environments.

With just a light push, the Hover™ vertical gas-assisted monitor lift will quietly pop up your monitor and provide access to the built-in keyboard and mouse storage. Stow your monitor for maximized desk space and an unobstructed line-of-sight.

Locking access doors, casters, riser glides, CPU holders, and keyboard drawers are available as optional add-ons*.

**some restrictions apply based on workstation size*

Delta View Features

- Quickly and quietly converts a computer station to a multi-purpose table
- Available in single and double units
 - Depth: 24" and 30"
 - Height: 29"
