STAYSAFE with @rightangle™

RightAngle™ Products is here to help adapt to the new normal. Our STAYSAFE bundle is a complete workspace solution that promotes user wellness and adheres to social distancing and cleaning recommendations.

Privacy Screens ● ●

Reduce ambient noise distractions while adding barrier protection to your workstation.

- Acoustic design elements to promote sound absorption (Noise Reduction Coefficient = 0.45\*)
- Tackable, impact resistant, bacteria resistant, and moisture resistant.
- All panels are 24" in total height and are available in five optimized widths: 24", 36", 48", 60", or 72"

- Screens are available in a chic, marblesque Light Gray or Dark Gray, with two mounting position options:
  - Mid Mount - 11.5" above worksurface
  - High Mount - 19.5" above worksurface
- Eco-Friendly! 100% recyclable with NO Volatile Organic Compounds (VOC's)
- Made of thermoplastic polyester (PET or PETE), which is primarily made from recycled plastic bottles.

SOCIAL DISTANCE

This STAYSAFE bundle helps to uphold social distancing requirements. Users are provided at least 6' between each workstation.

Products include:  
NewHeights™  
Bonita ET  
Mobile Tambour Cabinet  
(with worksurface)

BYE, BACTERIA!

We've eliminated the glue joints found on traditional edgebanding that captures bacteria, dirt and moisture.

Our 4EVERedge™ technology creates a permanent, seamless edge on every worksurface.

PHYSICAL BARRIERS

Acrylic Shields add a bacteria and moisture resistant barrier to reduce the risk of spreading germs.

Available in clear & frosted.

Optional Barriers:  
Privacy Screens

EASY TO CLEAN

Our STAYSAFE workstations can all be cleaned and disinfected without affecting color or quality.\*

BEAUTIFUL. DURABLE. CLEANABLE.

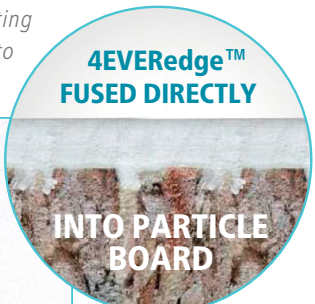

rightangle™ HAS IT ALL.

4EVERedge™ eliminates the glue layer, melting the edgeband seamlessly and permanently into the board, creating a flawless moulded look.

4EVERedge  
Zero Seam. Zero Glue.

Traditional Edgebanding

Unlike traditional edgebanding, bacteria and dirt have no where to hide with 4EVERedge™ zero-joint edge!

4EVERedge™ Edgebanding

- State-of-the art hot air technology creates a permanent superior finish that is virtually invisible. For **rectangular worksurfaces**.
- Hygienically clean. Can be washed with domestic cleaning agents.
- Seam-free edge offers increased aesthetic appeal and is resistant to solvents, dirt, heat and moisture.
- Eco-Friendly! Edge material is made of Polypropylene and is fully recyclable, halogen free, odorless, physiologically harmless and burns clean.
- Impervious to staining and higher UV resistance to fading.
- Features a precision edge for an optimum joint quality with maximum adhesion.
